# PARENT COMMUNICATION

- We will be continuing to use Tapestry to document your child's learning through pictures and videos.
- It is a fantastic way to see what your child is learning at school.
- Please do not use Tapestry to communicate to the teacher about concerns.

# PARENT COMMUNICATION

- Two parent evenings:  
**October and February**
- End of year written report in July
- Book looks
- Data snapshots end of each term
- Stay and learn sessions
- Whole school events
- Reading Logs

# OUR TOPICS FOR THE YEAR

## TOYS FROM THE PAST

## ANIMALS

## PLANTS

# ENGLISH

- Will be taught using high-quality books and texts.
- Using phonics to read and spell words.
- We will begin to write for different purposes to inform, entertain, persuade and discuss.
- Daily phonics lessons.
- Daily opportunities to read and be read to.
- Starting to encourage your child to write independently.
- Children will be taught the Year 1 grammar objectives.
- Focus on cursive handwriting and presentation of writing.

# ENGLISH

## Our key texts

# READING

- In Year 1 children will read each week with an adult.
- New reading books will go out each Tuesday and need to be returned by the Monday.
- Year 1 reading pack going out very soon.
- Reading books must be in by Monday of each week.
- Please ensure your child's reading book is in their bookbag everyday so we can ensure your child gets additional reads during the week.

**READING UNLOCKS EVERY PART OF THE CURRICULUM!**

# PHONICS SCREENING CHECK

The phonics screening check is taken individually by all children in Year 1 in England and is usually taken in June. It is designed to give teachers and parents information on how your child is progressing in phonics. It will help to identify whether your child needs additional support at this stage so that they do not fall behind in this vital early reading skill.

# MATHS

At Brocks Hill, we primarily follow the White Rose Maths Scheme. During maths lessons in the Autumn term the children will start off by learning about **place value** within 10. They will learn to count, represent and order numbers. After this, they will learn to add and subtract within 10. This includes having a secure knowledge of number bonds to ten. Towards the end of the Autumn Term the children will learn names and properties of 2D shapes before making patterns with the shapes too.

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn term	Number					Number					Geometry Shape	Consolidation
	<b>Place value</b> (within 10) FREE TRIAL					<b>Addition and subtraction</b> (within 10)						
	VIEW					VIEW					VIEW	

# SCIENCE

## Everyday MATERIALS

Children will be learning the names of everyday materials such as glass, wood, plastic, metal, rock and fabric. They will also learn how to describe materials according to their properties. We will then be conducting some simple tests on several materials.

## Seasonal change - AUTUMN

The children will observe changes across the four seasons with a focus on Autumn this term. We will observe and describe weather associated with the seasons and how day length varies.

# PE

In **'Attack, Defend and Shoot'** the children will learn how to perform basic movements including running, jumping, throwing and catching. They will learn how to engage in competitive activities. They will experience opportunities to improve their agility, balance and coordination.

In **'Hit, Catch and Run'** the children will learn how to hit objects with hand or bat. To learn how to track and retrieve a rolling ball. They will learn how to throw and catch a variety of balls and objects.

# HISTORY

In history children will start to understand similarities and differences between toys today and toys from the past. They will be asked to investigate what types of toys their parents and grandparents played with. They will begin to understand the ways we can find out about the past and ask questions about toys from the past. We are hoping to enrich this topic with a 'Toys from the past' workshop.

# GEOGRAPHY

During Geography lessons the children will be looking at maps and learning that a map is an aerial view of a location. They will be looking at aerial photographs and locating features of our local area.

Children will learn to locate key features on a map using directional and locational language. They will also learn about their address and where they live.

# ART

During art lessons the children will be learning the names of primary colours and learning how to mix colours to create secondary colours. We will then be studying the artist Kandinsky and creating our own artwork based on his famous work 'circles'.

**EXPLORE**

**DEVELOP**

**CREATE**

**EVALUATE**

# PSHE

During PSHE lessons the children will begin to look at and discuss the similarities and differences between themselves and others.

We will also be discussing different families and why it is important to have people that care for us.

# RE

In RE the children will learn what it means to belong to a faith community. That loving others is an important part of faiths.

Also, children will explore what Christians believe God is like and learn through stories from the bible that God is seen as a forgiving father.

# MUSIC

We are using a new scheme for 'Music' teaching through Leicestershire Music.

In this unit, children will experience and explore hearing and making long and short sounds on a variety of instruments. They will use their listening skills to identify the different sounds and follow and create signals when performing. The children learn a simple rhyme to establish the concept of syllables and rhythms and will explore how the pulse is integral to keeping in time when performing music.

# COMPUTING

In the first half term the children will learn about different kinds of technology around us and name the different parts including a mouse, screen, keyboard and a base unit.

In the second half of Autumn term the children will learn how to create a picture on the computer. They will be practising mouse control and using different tools including brush, spray, line, undo, erase and shape.

# LEARNING MODE & PERFORMANCE MODE

We can try new things.  
We can make mistakes and it's ok.  
Learning from mistakes.  
We don't have to worry about getting things wrong.  
No one will make us feel embarrassed.  
We want to get advice and help from our friends and our teachers.  
We use a Growth Mindset  
We use Resilience, Resourcefulness, Reciprocity and Reflection

We really focus & concentrate.  
We block out all distractions.  
We get as much correct as we possibly can.  
We try not to make mistakes.  
We remember all the things we have learned.  
We use our learning to help us with our answers.  
We use the 6Rs

# HOLISTIC CURRICULUM

- Weekly PSHE lessons
- Weekly Religious Education lessons
- PE twice a week at least
- Character Education
- Daily Boost
- Mindful Activities
- Rights respecting school
- School Games Platinum School
- A range of after school clubs

**Please keep us informed if your child's life circumstances change so that we can support them.**

# LINKING EVERYTHING TOGETHER

# HOME LEARNING

## • Our expectations

- Reading and talking about their reading to an adult for at least 15-20 minutes, 5 times a week.
- Practising phonics sounds from the reading log.
- Teachers may also direct pupils to additional work to support their work in class if this is felt necessary.
- Complete activities in the home learning log.
- Chat to your child about what they are learning in school.
- Encourage them to develop their own interests.
- Play board games that involve counting and turn taking.
- Activities such as crafts to develop fine motor control.
- Regularly check Tapestry and interact with us.

# ENRICHMENT & TRIPS

TOY  
WORKSHOP

COOMBE PARK

SYNAGOGUE

ZOO

# LUNCHTIMES

- ✓ Children in FS and KS1 are entitled to universal free school meals
- ✓ Children may bring a healthy packed lunch if they prefer.
- ✓ If a child forgets their packed lunch, please bring it to the office before 10am.
- ✓ We do not allow children to bring nuts or products containing nuts to school. This includes chocolate spread containing nuts. **WE ARE A NUT FREE SCHOOL.**

# OTHER REMINDERS

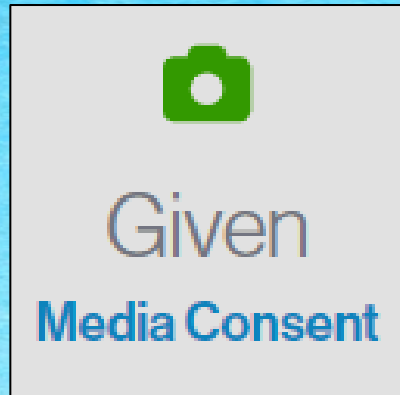

- All children entitled to free eye tests.
- Pupil Premium- are you entitled?
- Contact details: Please ensure your details are up to date, let the office know of any changes. Please fill in the form of who is authorised to collect your child. If it is someone different / won't be you – inform the office.
- Please refrain from going on the hill, trim-trail, spider and tyres in the morning. No football please.

# PHOTO PERMISSION

**Please update**  
PHOTO  
permission on  
Beehive.

**We like to post**  
regularly on  
**TWITTER.**

🌍 Climate Change Heroes 🌍

This week, within our geography lesson, Year 2 LOVED becoming news reporters and discussing 'Climate Change'.

AMAZING to see how much knowledge the children have gained and remembered! 🌍🎤

# CONTACT US

- If your child is ill please contact school office.
- If you need to speak to your child's teacher please arrange a meeting with them through the school office.
- If you have a concern we ask that you always first speak to your child's teacher. We know this normally resolves the situation quickly and smoothly. **As per our school policy, any concerns must follow Class teacher, Phase lead, Head of School.**
- Messages regarding appointments, collections and medicines must be given at the office. They will then be passed onto the teaching staff.
- For longer discussions, please arrange a time for after school at the office.

**THANK YOU  
ANY QUESTIONS**
